Sir:

A Notice of Allowance was mailed on April 4, 2006 in this application. This Information Disclosure Statement is filed pursuant to 37 C.F.R. § 1.97(c). published U.S. applications or issued U.S. patents are not attached, per the Notice of waiver published in the Official Gazette on August 5, 2003.

All documents were cited in a communication from a foreign patent office in connection with a counterpart foreign application not more than three months prior to the filing of the attached Information Disclosure Statement. A copy of the International Search Report and the Written Opinion of the International Search Authority for International PCT Application PCT/US2005/012519, is also provided. In accordance with 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(b) exists.

Applicant respectfully requests that the Examiner review the references and make them of record in the file history of the above-captioned application.

Respectfully submitted,
